Maroon and White

Ennis, old Ennis, we'll stand by thee;
Faithful and loyal we will ever be.
True to thy colors that stand for right,
Loyal sons and daughters of Maroon and White.
We will always face the conquest with spirits bold,
Laurels for old Ennis High will be our goal.

Saludos Amigos!

In a community of individuals, it is a mark of courtesy and friendliness to know one's neighbors. The hemisphere in which we live is a community of nations — diverse in custom and language but similar in their love for freedom. We, the staff of this 1947 Ciccone, have endeavored to acquaint you with our American neighbors by recording in the Pan-American way, the fiestas as well as the cacti of our high school life.

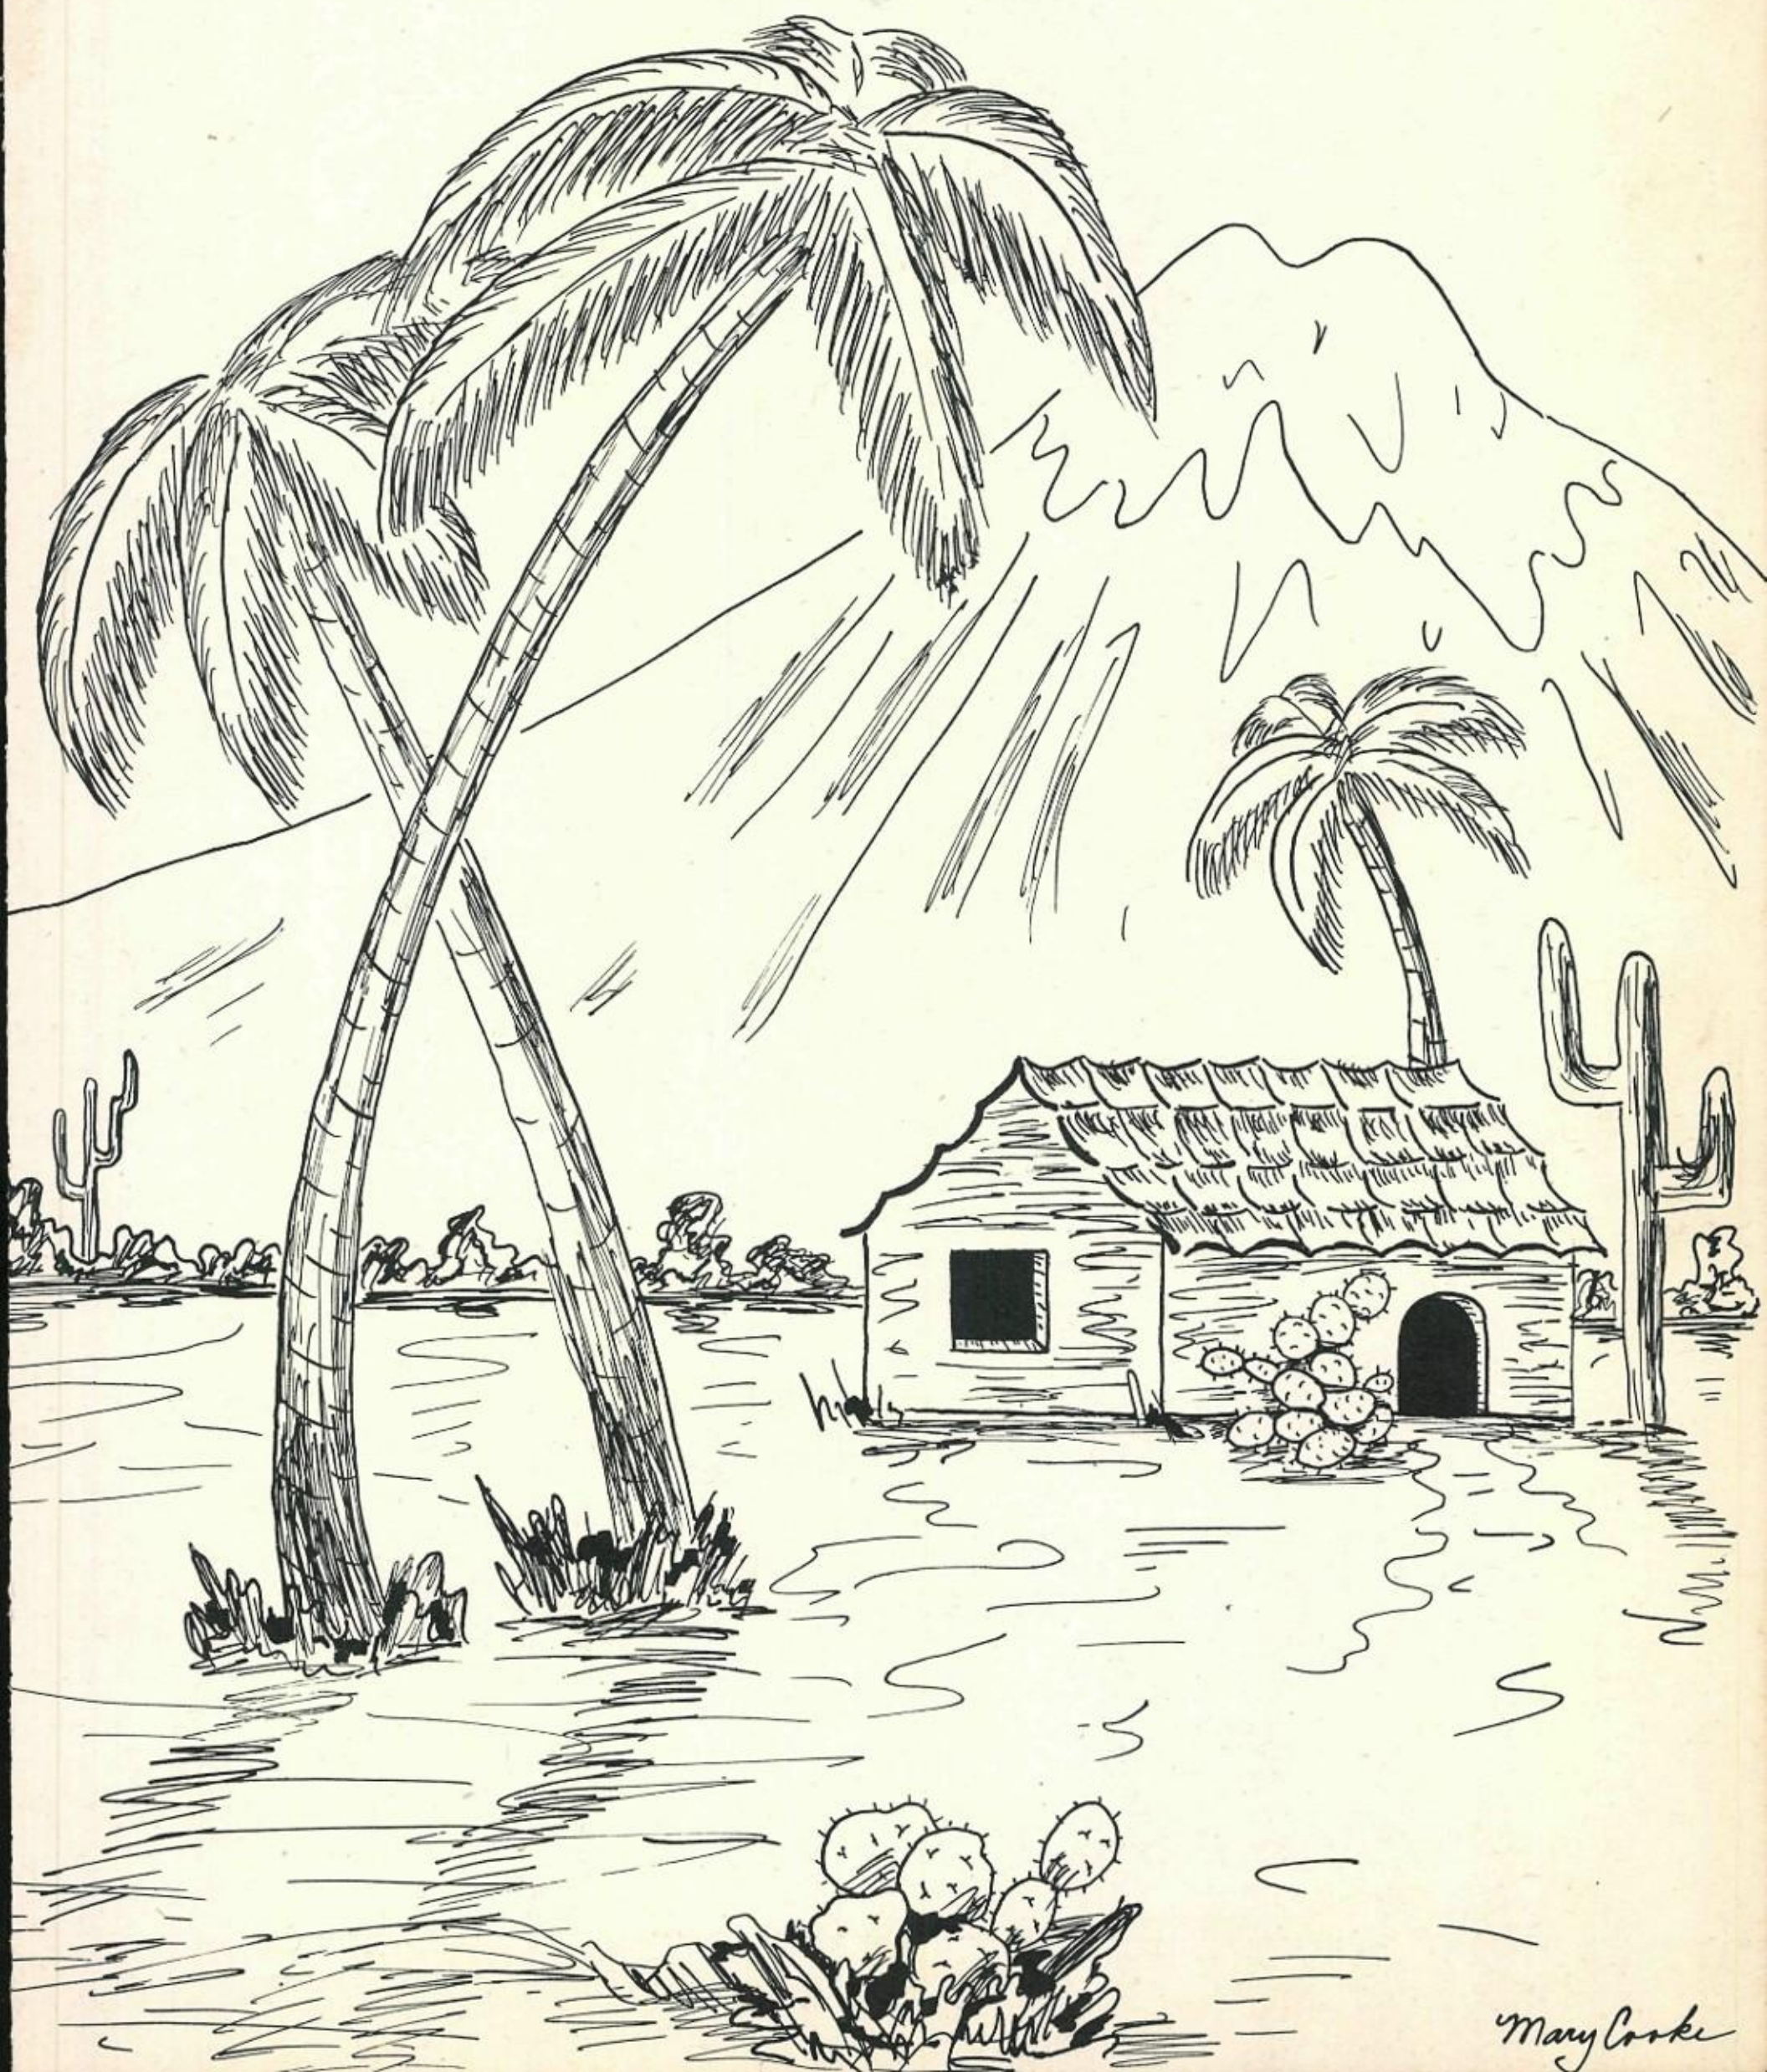

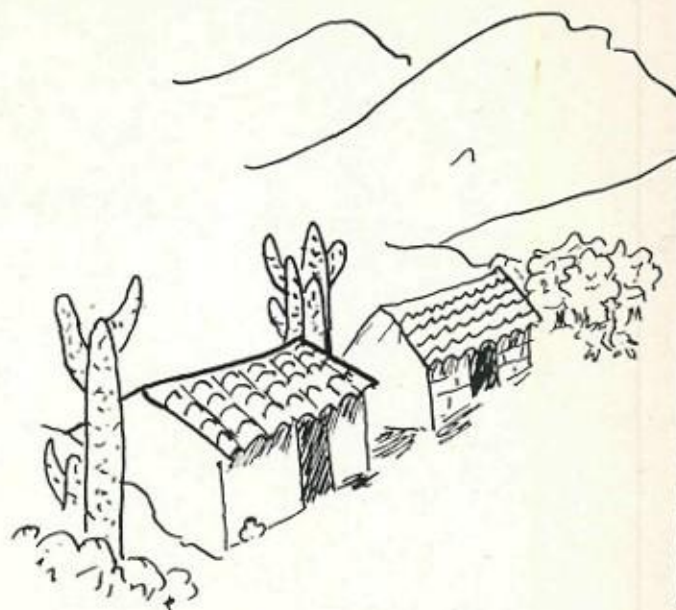

Dedication

For her sympathetic interest and understanding of each student's problems and for her many invaluable contributions to our school life, we, the student body, appreciatively dedicate this issue of the **Cicerone** to Miss Drewise Davis

A Administration

Superintendent

To the Class of '47:

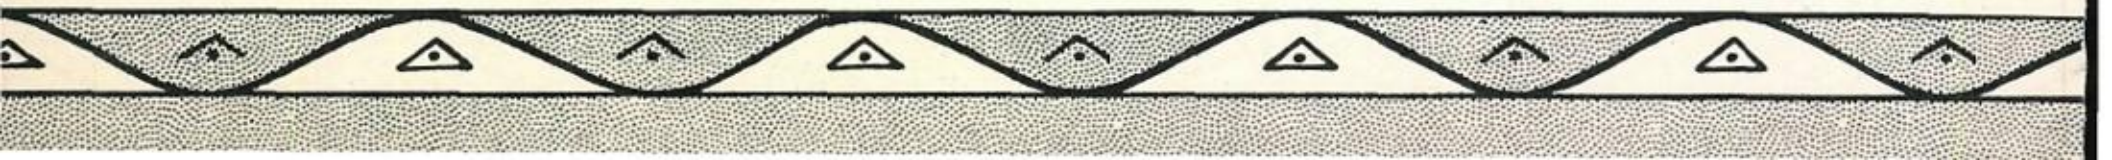

This book is a record of your high school experiences. As you go through these pages now it will all seem very close to you. In years to come, however, these experiences will take on new meanings each time you turn the pages.

I sincerely trust that you will be able to say in after years that your high school was an important factor in developing in you the ability to think right. "As a man thinketh in his heart, so is he." As you think, you act; acts repeated become habits; habit forms character; and character determines destiny.

My parting wish is that by right thinking you may always find happiness along the road of life.

Sincerely yours,
James D. King

Dear Students:

In this natural confusion of our changing age, America needs well-poised, straight-thinking, cooperative citizens of a democratic society. That our world be composed of such citizens has become a necessity, not for tomorrow's world, but for today's world. You, the youth of today, can create a nation permeated by justice, amity, understanding and cooperation for all; but for this task you must be prepared. This preparation must come from your school, your home, and your community.

My greatest hope is that your school may be a cornerstone in the building of a happier and more profitable life for each of you.

Sincerely,
J. F. Gardner

Ennis High Band

Under the direction of Mr. Forrest Hendrick, the marching band, composed of over seventy members, exhibited the Maroon and White in concerts and in commendable formations at the football games. Never-to-be-forgotten experiences for each member resulted from the special trip to Denison — the first special for most of the band members.

B. O. Brown, Joe Hawkins, Bobby Onstead, Edward Laza, Alfred Laznovsky, Richard Roberson, and Forrest Adams represented Ennis High in February at the All-State Band Clinic in Galveston. In the spring the entire band participated in the annual contest held at the Highland Park High School in Dallas.

As a result of the untiring efforts of the Band Parents Club, it was possible for the band to don beautiful new uniforms which were displayed in a parade on Band Tag Day. Betty Carlston, Frankie Vrla, and Billie Jo Peel were awarded prizes for the sales of Band Tags.

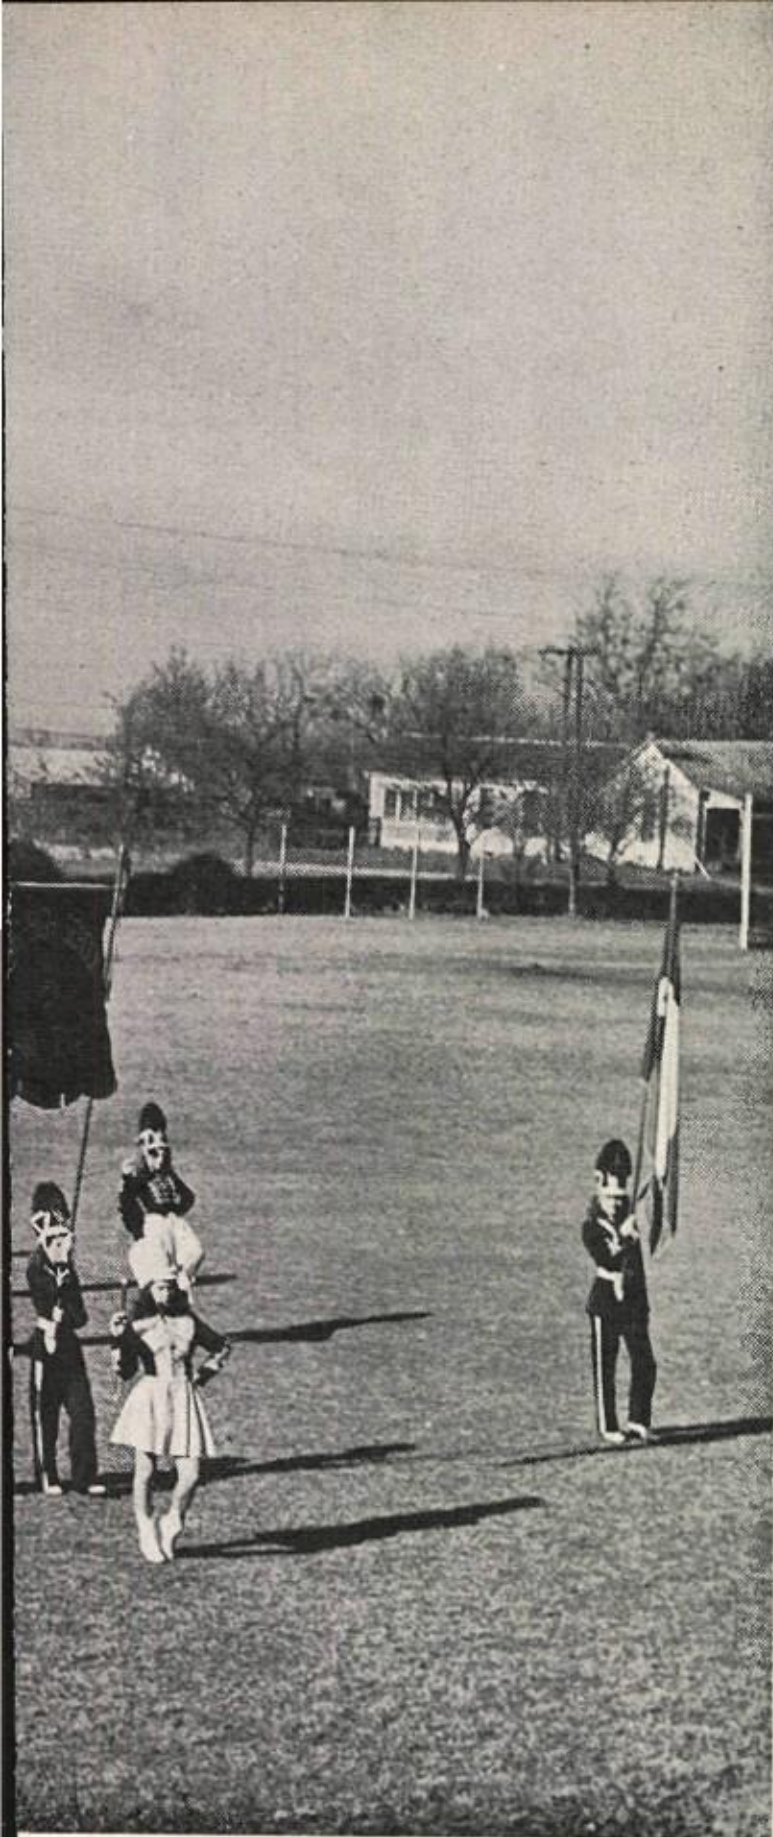

Another highnote in the lives of band members was the Valentine Sweetheart Band Banquet given by the Band Parents Club.

Band managers, Bobby Onstead and James Jones, were very industrious in their work as were President Alfred Laznovsky, Vice-President Norman Vick, and Secretary Florella Pye.

DANDEE LION STAFF

After several years without a newspaper, the students of E. H. S. brought the Dandee Lion once more into publication. The task was far from easy, the staff members lacked experience, and there was no journalism class to give them the necessary fundamentals and training. The work had to be done in spare moments and during club periods. The journalism Club was sponsored by Miss D'Ray Sifford. Cathryn Rogala was editor-in-chief, and Danny Bus was the business manager. At mid-term the club was reorganized with Mrs. J. M. Moorman serving as sponsor. Assistants

An outstanding junior member of the National Honor Society is friendly Barbara Porter, who is recognized as a leader by the faculty and students of Ennis High. Serving as office assistant, majorette in the band, and typist on the 1947 "Cicerone," she is building a record of noteworthy achievements.

One of the most unforgettable seniors in Ennis High is Ralph Essary, an outstanding football player and co-captain of the '46 team. True sportsmanship, genuine school spirit, and a cooperative attitude are his most admirable traits.

Capability, cooperation, and cheerfulness are Billie Jo Peel's outstanding traits. Her chief interests include homemaking, band, and journalistic activities. Not only has she a good disposition, but she is always ready to help in anything which requires work.

Adell Sonka, with her pleasing appearance and quick smile, is contributing much to the life of Ennis High. She unselfishly uses her vibrant voice in school and civic activities. She is a two-year member of the National Honor Society, and as a member of the art staff of the "Cicerone," her artistic ability was quite valuable.

Albert Newberry is a combination of a happy-go-lucky school boy, farmer, and business man. His genial disposition has won him a host of friends in Ennis High where he has gained recognition for his work with the Future Farmers. His industriousness and dependability are evidenced by his after-school employment in a local grocery store.

Smiling Cathryn Rogala with her versatile ability and good nature is an asset to our school. Her cooperative relationship to her teachers and friends makes her a dependable student and a worthy classmate. Cathryn, in her quiet and sincere way, has made many achievements not only in her academic and commercial work, but also as editor-in-chief of the "Dandee Lion."

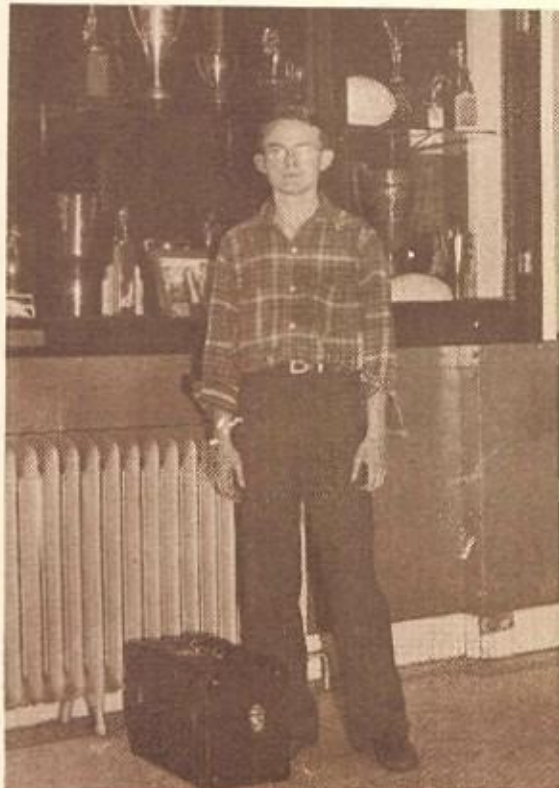

A leader scholastically, Wanda Schwartz is always ready to use her talents to help with any worthy undertaking. Because of her intellectual achievements, dependability, and cooperative attitude toward others, she has become one of the most outstanding students in Ennis High. Her election to the National Honor Society and Student Council are but stepping stones to a successful career.

Energetic and fun-loving, Richard Roberson has made a definite place for himself in the scheme of things around Ennis High. Both as an outstanding band member and as a leading student, he has exhibited a commendable brand of citizenship. With these characteristics to recommend him he will surely enjoy a successful future.

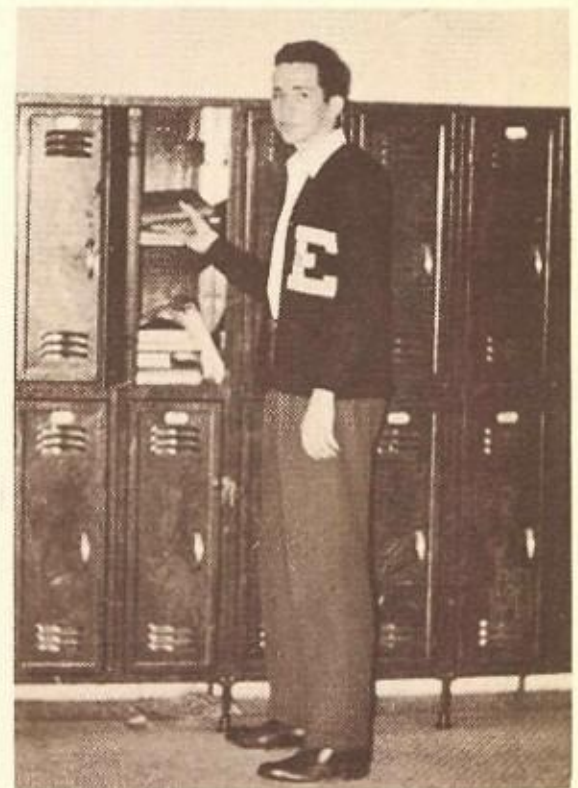

Outstanding among the Sophomores is lively Ann Glaspy, who is always surrounded by an atmosphere of cheerfulness. She can be depended upon to share her musical talents with those who need her service. Her "bubbling" personality and vivacious smile have gained her many lasting friends.

The cheerful and fun-loving nature of Carl Robertson combine with his ability and hard work to make him one of the more outstanding students of Ennis High. His numerous achievements include membership in the National Honor Society, "Cicerone" photographer, Eagle Scout, and football manager. These honors and responsibilities herald a promising future for him.

Neat, attractive, and energetic, Modell Goodman is admired and liked by everybody. Among the honors she received this year were being sweetheart of the Future Farmers and a runner-up for the most beautiful girl. These attributes and her little traits of personality make her a delightful person to know.

Reliable and trustworthy, Robert Shipley has gained much recognition. Prominent in school activities, he is a three-year member of the National Honor Society, a three-year letterman in football, an Eagle Scout, and business manager of the '47 "Cicerone." Because of his many accomplishments, Robert is recognized as an all-round student.

Students

The Kiwanis Club of Ennis has manifested a genuine interest in the activities of our high school. Each month a committee of Kiwanians selected one senior boy on the basis of his leadership, service, and character to attend four meetings of the club. Presenting as their motto, "We build," the Kiwanis Club endeavored to stimulate in these selected students an interest in civic activities and clubs. The Student Kiwanians of this school year were Leonard Sellers, B. O. Brown, Carl Robertson, Harold Nash, Ralph Essary, Rosco Morgan, Grady Garrett, Richard Roberson, and Bill Comiskey.

One of the most outstanding projects of the Kiwanis Club was the school safety program which they launched in February. All equipment necessary for the installation of this project and the maintenance of the student safety patrol was purchased by the club.

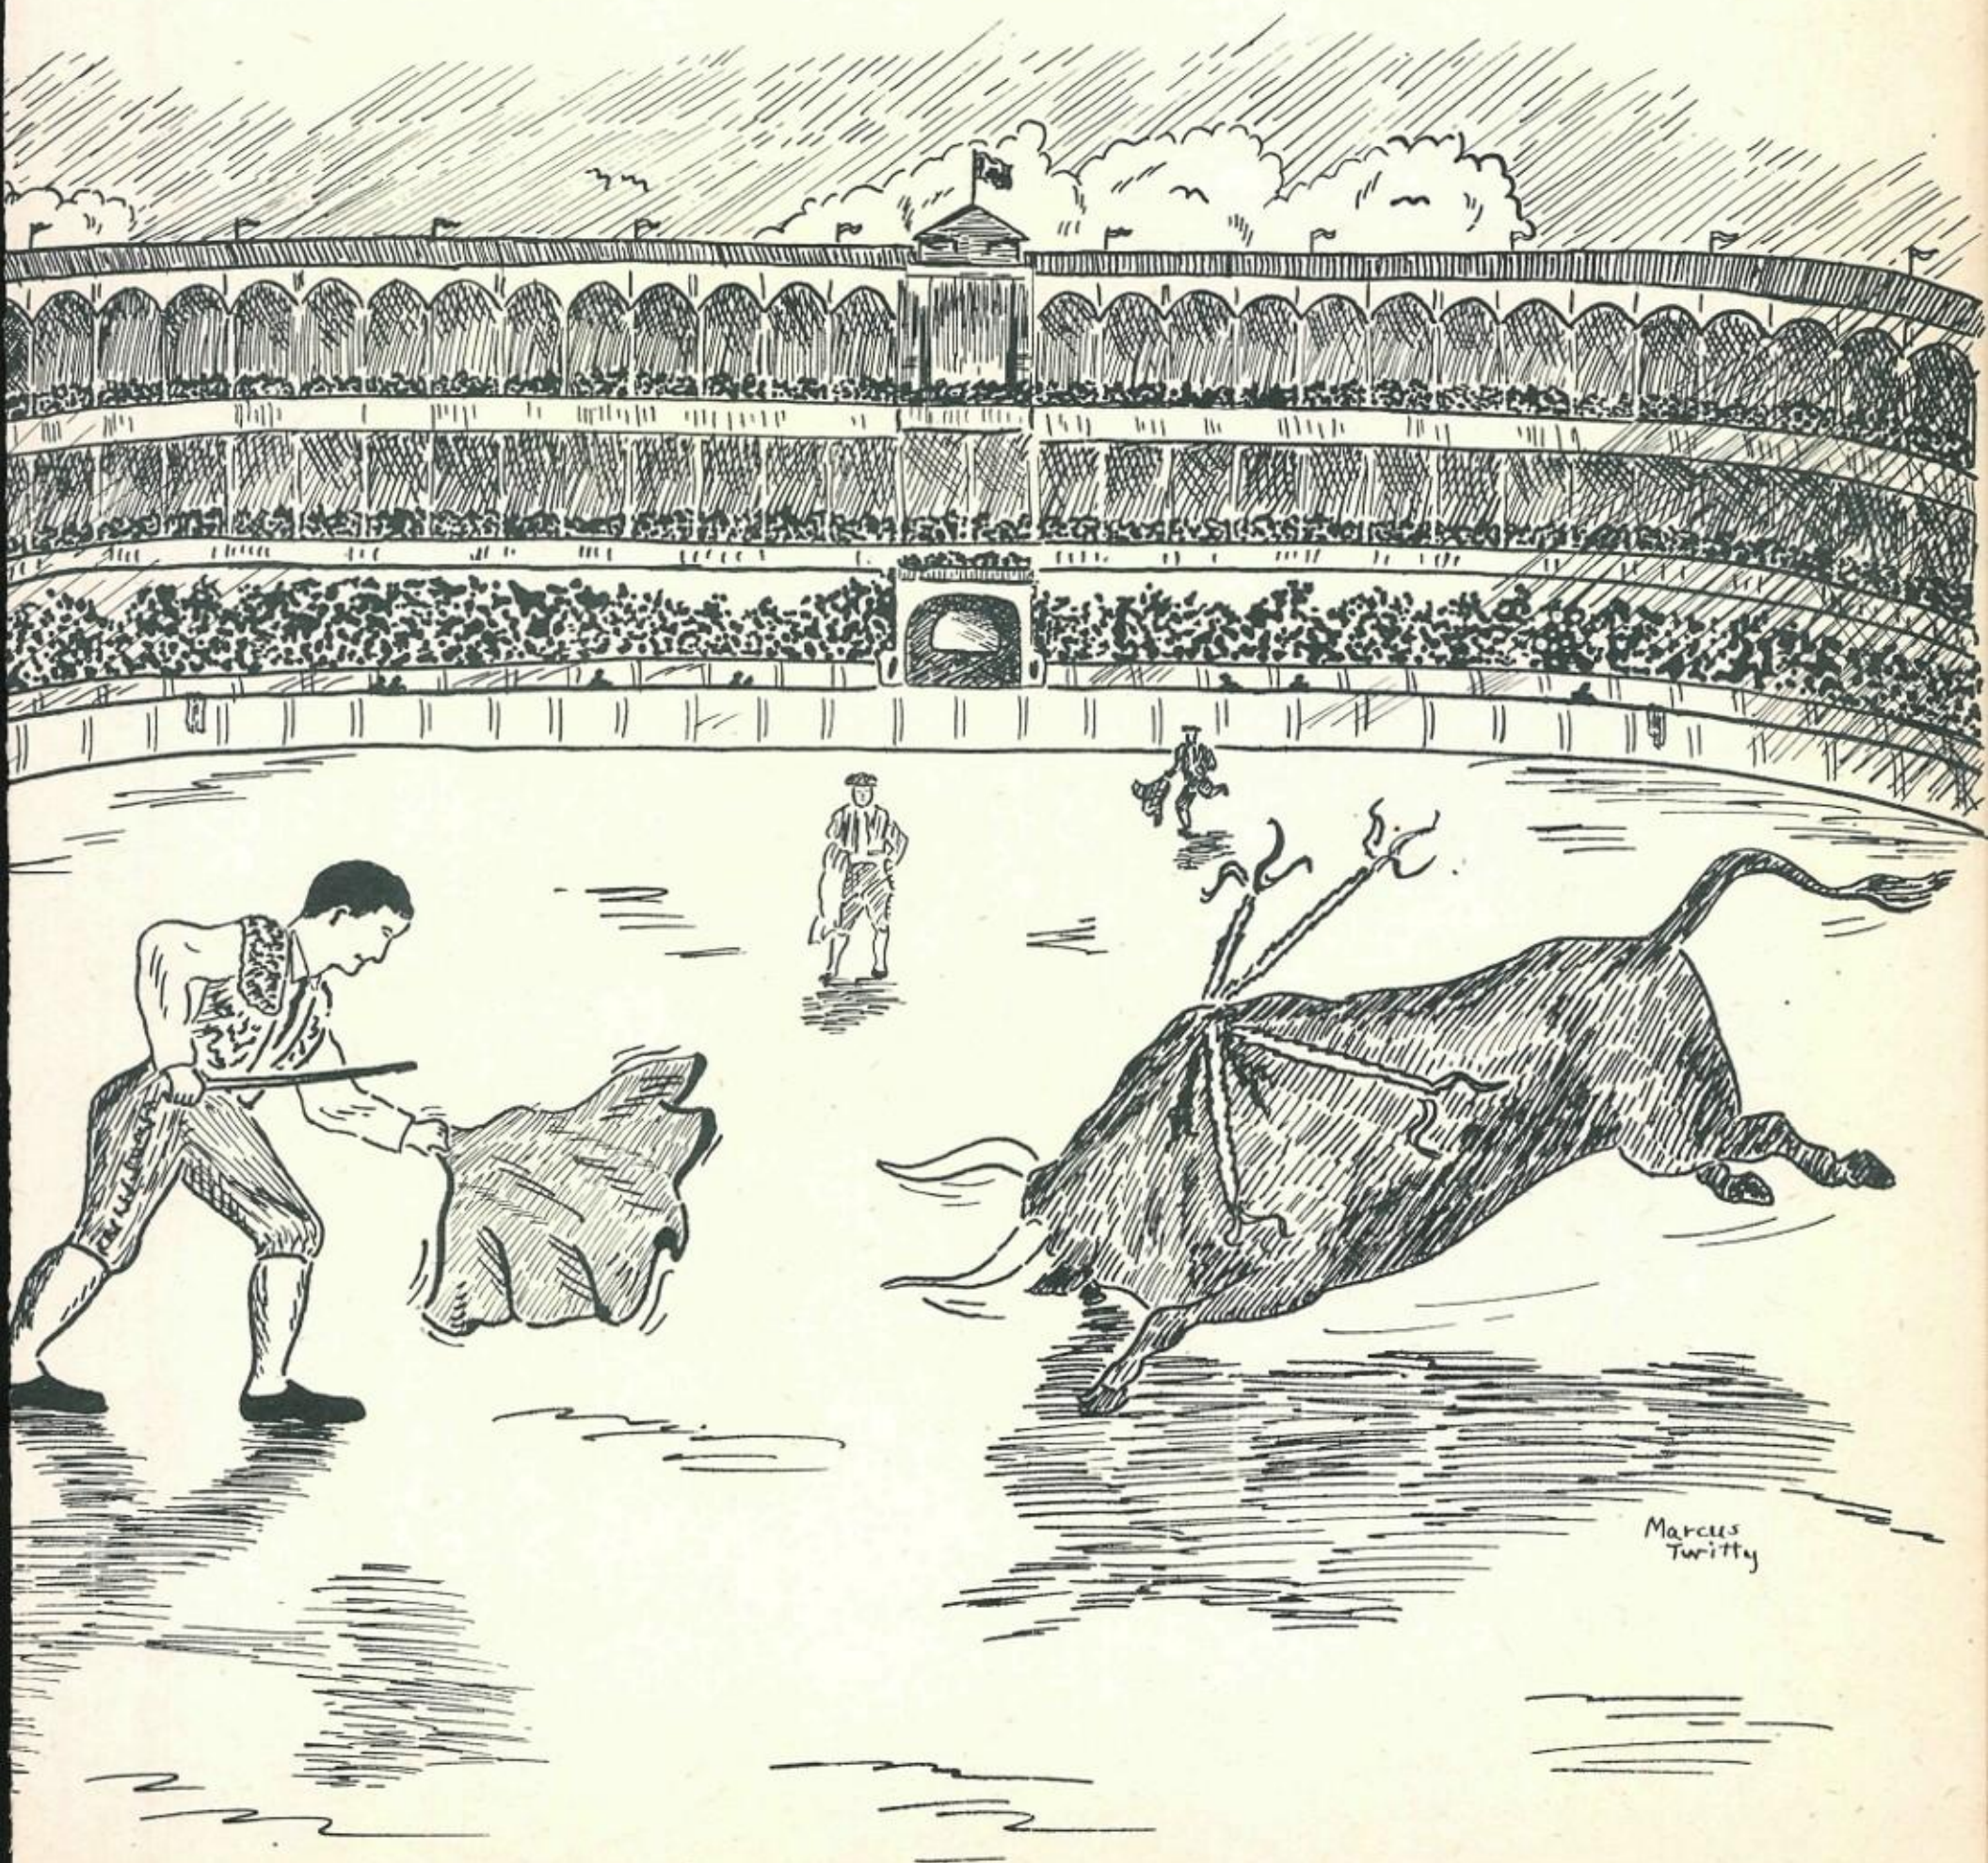

The leaders of these activities included Owen Gilpin, President; Joe McCrary, First Vice-President; A. B. Roach, Second Vice-President; and Ivin Dycus, Secretary-Treasurer.
